

Selenium Bootcamp by Dave Haeffner

Selenium Bootcamp is a series of articles prepared by Selenium guru Dave Haeffner for Sauce Labs. Dave also authors the [Elemental Selenium website](#), which includes tips for using Selenium, and where you can sign up for his weekly email on the topic of Selenium testing. He is also the author of the [Selenium Guidebook](#).

- Selenium Bootcamp 1: The First Things You Need to Know
- Selenium Bootcamp 2: Writing Your First Selenium Test
- Selenium Bootcamp 3: How to Write Maintainable Tests
- Selenium Bootcamp 4: Writing Resilient Test Code
- Selenium Bootcamp 5: Packaging for Use
