

# Example Appium Scripts for iOS Mobile Application Tests

## For Example Purposes Only

The code in these scripts is provided on an "AS-IS" basis without warranty of any kind, either express or implied, including without limitation any implied warranties of condition, uninterrupted use, merchantability, fitness for a particular purpose, or non-infringement. Your tests and testing environments may require you to modify these scripts. Issues regarding these scripts should be submitted through GitHub. These scripts are not maintained by Sauce Labs Support.
