Selenium Bootcamp by Dave Haeffner

Selenium Bootcamp is a series of articles prepared by Selenium guru Dave Haeffner for Sauce Labs. Dave also authors the Elemental Selenium website, which includes tips for using Selenium, and where you can sign up for his weekly email on the topic of Selenium testing. He is also the author of the Selenium Guidebook.

- Selenium Bootcamp 1: The First Things You Need to Know
- Selenium Bootcamp 2: Writing Your First Selenium Test
- Selenium Bootcamp 3: How to Write Maintainable Tests
- Selenium Bootcamp 4: Writing Resilient Test Code
- Selenium Bootcamp 5: Packaging for Use
