

Chrome 67: Now available on Sauce emulators!

We are very happy to announce the following updates to Sauce Labs emulators:

- Chrome 67 now available on Android emulators 6.0 and above.
- WebView 67 now available on Android emulators 7.0 and above.

ChromeDriver 2.41 is used for mobile web tests using Chrome 67 and hybrid app tests using WebView 67.

Happy Testing,
Sauce Emulators and Simulators Team
